- 10. Meeting close**

Minutes of previous meeting

Australian Sharpie Sailing Association – SA Division 2018 Annual General Meeting – Minutes 27 June 2018 – Adelaide Sailing Club

Meeting Open: 7:13 pm

Present: Peter Higgins (PH), Jason Heritage (JH), Anthony Mitton (AM), Jesse Mitton (JM), Justin Kennaway (JK), Henry Green (HG), Neville Wild (NW), Tony Turton (TT), Harry Fisher (HF), Joe Kelly (JK), David Snoad (DS), Luke Stephens (LS), Paula Weigand-Johnstone (PWJ), Harry Mitton (HM), Jake Wilson (JW).

Apologies: Rob Turton, Andrew Dallisson, Darren Witty, Chris Martin, James Hughes, Mal Higgins, Sam McCloud, Chris Todd, Geoff Kohler, Mark Kretschmer, Matt Hansen, Mark Witter, Steven Marshall, Tom Alder, Sophie Common, Andrew Chisholm.

Minutes from previous meeting: Moved by PH, Seconded by JH. Carried

President's Report: Presented by DS, Moved to be accepted by HF, Seconded AM. Carried

DS informed the committee he would be stepping down as president due to work and other sailing commitments, would be nominating HF to take up the post.

Secretary's Report: Presented by HF on behalf of Sophie Common. Moved to be accepted by HF, Seconded by JH. Carried

Treasurer's Report: Presented by JK. Moved to be accepted by TT, Seconded AM. Carried

JK informed members of the Associations stability financially this year compared to a loss the couple years previous. Presentation night was seen as more of a success than previous seasons with the association breaking even. Also informed of some current outgoing expenses not shown that relate to Nationals deposits.

Vice President's Report: Presented by HF. Moved to be accepted by JK, Seconded PH. Carried

HF vocal in his insistence we need to continue to work with the junior classes, especially the partnership that has been created with the Cadets. Next seasons program will give us an opportunity to expand further with this with them possibly joining Wallaroo plus our Interclub Day at Largs Bay in December.

Election of Office Bearers:

DS stepped aside for the election of office bearers; PH took the chair.

- **Patron:** HF nominated Steven Marshall to continue who agreed pre-meeting. Seconded by TT. Elected unopposed
- **President:** DS nominated HF. HF accepted nomination. Seconded AM. Elected unopposed
- **Vice President:** HF nominated DS, DS accepted nomination. Seconded TT. Elected unopposed.
- **Secretary:** HF nominated Sophie Common who agreed pre-meeting, Seconded JH. Elected unopposed
- **Treasurer:** AM nominated JK, JK accepted nomination. Seconded JH. Elected unopposed
- **Social Officer:** HF nominated Tom Alder who agree pre-meeting, Seconded JK. Elected unopposed
- **Publicity Officer:** HF nominated HG, HG accepted, seconded AM. Elected unopposed.
- **Measurer:** DS nominated Andrew Chisholm who agreed pre-meeting, seconded JH. Elected unopposed.
- **Assistant Measurer:** LS nominated by PH, LS accepted nomination. Seconded TT. Elected unopposed
- **Race Officer:** HF nominated Matt Hansen who agree pre-meeting. Seconded AM. Elected unopposed
- **Committee Members:** HF nominated Ilona Flockhart to assist with Social Events who agreed pre-meeting. Seconded TT. Elected unopposed

PH stepped aside as chair and DS continued to chair his final meeting as President.

Motions with notice:

Motion received from David Snoad 01/06/2018

DS presented the motion that Sam McCloud be installed as a Life Member of the South Australian division of the Australian Sharpie Sailing Association and presented document (Attachment A) to support this motion.

It was moved by DS to carry this motion, seconded by HF. Carried unanimously.

Motions without notice: Nil

Other business:

Recommended by measurer Andrew Chisholm that we invest in some new digital scales for the Association especially with nationals approaching. Was discussed whether we hire or buy. AM will approach a contact he has and get pricing on both and bring a recommendation back to the committee.

PH asked whether Adelaide Sailing Club (ASC) requires any help with resources for the upcoming nationals. NW responded as President of ASC highlighting the club is thrilled at the opportunity to be hosting the nationals. They will be asking other clubs shortly to assist with some on water resources. The new hospitality provider is keen to engage with the Sharpie Association and make the event a success, HF acknowledged he had positive discussion with the new provider post ASC AGM and is happy where that is progressing for the Sharpies.

HF released next seasons program to the forum. All seemed happy and members acknowledge there is potential interest from several interstate boats for our first leg of state titles early December. Kids in Sharpies day late November at Brighton was also pinned as a great initiative by members of the meeting.

Meeting closed: 8:02 pm

Attachment A:

President's Report

Looking back on this season has given me a chance to reflect on what a successful year it has been for the Sharpie class, not just here in South Australia but right around the country. Obviously the nationals were a great success, drawing in a 72-boat fleet which was a huge outcome. I was confident we could get 80 boats to the start line, however with several pulling out at the last minute and a few boats we thought were going to be certainties having to miss the event, we ended up just shy of this target.

It is pleasing that we were able to rally the interstate fleets with 33 of the 72 teams coming from elsewhere and it is worth thanking our committees in the other states for helping make this happen. Initiatives like the Bunkhouse accommodation were instrumental in bringing in more interstate boats.

We were also stoked to be able to get 39 South Australian boats on the water, and another SA boat that was chartered to Queensland, making it 40 local boats in the event. However, what is still proving to be an issue here in our home fleet is we are unable to tap into the remainder of our SA boats. Our boat register says we have 66 Sharpies available in SA, with 59 of them able to go racing either straight away or after a few hours work in the shed. To only be able to tap into about two thirds of that for our home nationals, no matter how hard we tried to inspire the owners, was somewhat frustrating. With minimal boats being built right now, we need to work hard to ensure our fleets stay strong.

The spinoffs from the nationals have been spectacular though, with a lot of young people getting involved in the class either as crews or by getting their hands on their own boat. Our recent Frostbite numbers of 17 boats following a nationals, compared to 6 boats after the 2012/13 nationals, goes to show the nationals hangover is not there this time round and there are many people fired up to go to Perth. In my opinion, this is due to how hard we have worked on building the Sharpie culture nationally and how excited people are to get involved in the class, and then stay involved for a long period of time.

Joe will go into the financial report in more detail, but the amount of money we made this season is representative of the hard work undertaken to put on a successful national championship, but also in how we were able to secure significant sponsorship investment. A big thank you to all our sponsors this year, especially to our naming rights partners for the nationals; Hames Sharley, Future Urban, and Pinz – without your assistance we couldn't have had the same level of success. It is now in this committee's hands to determine how we re-invest some of the money we have (totalling \$45,000) back into the class to ensure we continue to sell and grow Sharpie sailing in South Australia and around the country.

This year we made a wise decision to continue our partnership with the International Cadet Class of SA, following a formal sponsorship proposal that was put to us by their State President and current Sharpie sailor Mark Kretschmer. The connections between the Sharpies and the Cadets are obvious with many talented Sharpie sailors learning their craft in the Cadet. Our sponsorship of the Cadets this year was made up of financial support to pay for the SA Cadet Team jackets for the sailors that travelled to Hobart for the nationals. Their shirts and jackets were emblazoned with the new SA Sharpies logo and all sailors were given hats with our new brand. The sailors were also presented with their jackets at our traditional Shirt Night event, which they all thoroughly enjoyed, and a number of Cadets participated in the Wallaroo weekend. Going forward we should look at how we can better partner up with the Cadets at our events to ensure greater cross over. This forms the basis of a very important partnership for the future of our class, which I am personally very passionate about continuing.

In regard to building Sharpies, we only had one boat built this season by Tim Haselgrove, which was Weigs' 935 'Slave Girl'. It is my understanding that 936 has been purchased by Craig Mann of Western Australia and is currently being built by Tim to be ready to take the water at the Mounts Bay Nationals later this year. The frequency of Sharpie building continues to be an issue in Australia and with the build process in Victoria experiencing some slight delays, it is increasingly important for us to maximise Tim's capability in the short term.

Back to the water, and from a State point of view it is pleasing we had 35 entries in our State Championship, most of which nominated for the first state weekend at ASC in December but were blown out, however it still shows the strength of our class. It is a big goal for us now to continue this momentum and keep our State sailing exciting.

We have decided on our State program for 2019/20, which will include the first five races of our States at BSYC on Nov 30/Dec 1, and the final five races of our States at Arno Bay Yacht Club on the Eyre Peninsula on the March long weekend in 2020. The Arno Bay weekend will coincide with the traditional Queen of the Gulf Easter Regatta, which is being moved to the March long weekend to enhance the competition. What better way for that great event to grow than to partner with a Sharpie State Championship. This event will also help us encourage more participation in our States from the strong Port Lincoln fleet, which showcased 9 boats at Frostbite and 7 at the nationals, however only a handful for the States. Our program also includes two interclub days at ASC (Nov 2) and LBSC (Dec 7), the Goolwa Sprint Series on the October long weekend, Fred Neil Memorial Race on the Friday night before the BSYC States (Nov 29) and the National Kids in Sharpies Weekend continuing for a second year on the weekend of Nov 9-10.

Before closing, I would like to send a huge congratulations to all sailors who had success this year, including Luke Stephens, Matt Hansen and Dave Snoad in Sideshow Bob who took out their maiden national championship, also to Harry Mitton, Jake Wilson and Josh Hinks in Moby Dick who won the national junior championship, and Lauren Thredgold, Mark Witter and Brendan Shepperd on Nest of Vipers who won the first female helm award at the nationals. Also congratulations to Sam McCloud, Sam Flint and Mark Beaumont in Warpig who won another State Championship. We should also acknowledge Sam McCloud again, who along with Mark Kretschmer were both awarded life membership of the class nationally, congratulations to those guys.

I would like to give a special thank you to our Vice President Dave Snoad, who after 10 years on this committee (9 as President), he is going to be stepping down due to work commitments, and to help encourage new blood to step up. With Snoady's blessing I am proud to say I will be nominating Sean Keen to take over as Vice President in a succession planning initiative for the future, which will eventually allow Snoady and I to have a focus on our roles with the national executive. A final thanks must also go to the rest of the committee for all their hard work this season, especially Sophie and Joe who do a tremendous amount and support me a great deal, but also to Chiz, Snook, Ilona, Bear, Matt and Henry. Thank you all so much for your efforts in this massive year!

Harry Fisher
President

Chris Went, Tom Manhood and Harry Fisher sailing Trumped in the Nationals at ASC

Secretary's Report

Thank you and welcome to all who have made the effort to attend this year's AGM.

To the committee and association members, thank you for another great season of Sharpie sailing on and off the water. It was a huge year and everyone should be extremely proud of what we as a class achieved, especially around the nationals.

In my second year as secretary I really valued how well the committee worked together with everyone picking up jobs and helping where needed. To see everyone 'step it up a notch' when it came to the national's pre event planning and even throughout the regatta was wonderful to be involved in. Regular committee meetings were held at the Adelaide Sailing Club and this worked extremely well to keep us all on track with organising nationals, state heats, prize nights and anything else that would come up for discussion.

The States prize night held at the Henley Sailing Club was a fantastic way to bring everyone together and to congratulate those who have had success over the past season. Numbers are always a tricky one over winter and weekend commitments, but it is something that is appreciated by all those who attend and is definitely something that we as a class need to continue to promote and keep on our calendar.

After last year's AGM not only did we continue with the standard planning and events of the sailing season, but the 76th Sharpie Nationals was coming around very quickly! To see this enormous event come together with the number of boats, sailors and supporters was something I am glad I was involved in. The work involved to bring it all together is a credit to each and every one involved. I thank all that were involved, it really wouldn't have happened without you all.

I have thoroughly enjoyed my role as secretary and look forward to the next season of club, state and nationals sailing. If re-elected, I look forward to working with the committee again and continuing to promote this great class!

Sophie Common

Secretary

Ilona Flockhart, Sophie Common and Heath Belton sailed Go For the Gaps in the 76th Sharpie Nationals.

Treasurer's Report and financial statements

First thing I would like to say is a massive thank you to all our sponsors this year, we would not be able to achieve this year's success without them. With a total of roughly \$18,650 of sponsorship income, we would be sitting in a very different position without them.

The nationals was a great success this year. With a total profit for the event of \$14,000, this has significantly improved our bottom line and has set us up in a very strong financial position for the next six years until we get the chance to hold another nationals.

A couple points within the numbers I would like to make a note of in my report. The 'Rent' account contains all costs/income associated with the Adelaide Shores shared accommodation that we booked for the nationals. The account shows a profit of about \$2,400 however we had already paid a deposit in the previous financial year of \$1,875 so we actually made approximately \$525 on this. Well done to everyone who drove this initiative, a great way to make staying at nationals affordable.

This year we have spent much more money on advertising and promotion than we normally do, however there have been some great results of this. With the Cadet sponsorship program underway, we spent approximately \$1,500 dollars on jackets for them to take to the nationals – what a great way to introduce Sharpies to them and breed the next generation of Sharpie sailors. Our advertising expenses also included professional videography and event coverage for our state titles at ASC and for the Nationals, which was undertaken by Down Under Sail. This has significantly increased the profile of the Sharpie class nationally and hopefully is a relationship both our state and national association can continue to build.

We made a note of this last year but a massive thank you also to the National Sharpie Association for organising a combined insurance program which we are now a part of. Previously, as a state, we were paying approximately \$1,200 per year and now with the new policy each state pays approximately \$230 per year. On top of this we are also paying \$200 per year to insure our moulds.

With the healthy bank balance, the association is now in a position where we can look at how to re-invest some of our money to grow the class into the future. There are several ways we can do this, and I am sure it will be discussed by the new committee.

I am thankful to my fellow committee members for their efforts and I am willing to stand again for re-election for the 2019/20 Season as Treasurer.

Joe Kelly

Treasurer

More than 30 boats competed in the first leg of the SA States at ASC in December 2018.

Measurer's report

The 2018/19 Sharpie sailing season was a busy one for measuring with the buildup for the "Gulf War" and then the regatta. A lot of new gear measured prior to Christmas and a brand new Sharpie for Weigs as well made it all a bit hectic. All successful with very little issues regarding measurement for our SA members. Prior to Christmas the committee agreed to purchase new digital scales that have now replaced the original dial scales that have served the class well, but were definitely up for replacement.

The new scales coupled with the boat support frame from Snoady (thank you) made the job of weighing all boats at the nationals surprisingly easy and with the national class not having done a full weigh-in for an entire rotation of the circuit, it was most certainly time as we discovered a number of hulls requiring some attention. The scales have been stored away but are available to any member who wishes to confirm their boat's weight should they wish to.

This year's Australian Champion was also the assistant measurer and was instrumental in the measuring process running as smoothly as it did, and I want to congratulate Snook for awesome work on the water and on the end of a tape measure. Thanks again to all those that lent a hand at Christmas. Again, we have showed that SA puts on the best Sharpie regattas in Australia and equal to any in the world of sailing. Good work all.

I am happy to stay in the Measurer role if the Membership and Committee see fit and continue to be on the State Committee of the South Australian Sharpie Sailing Association.

Cheers,

Andrew Chisholm

Measurer
